Action Items:

- The next subgroup meeting will be Tuesday, November 6th.
- Subgroup members to volunteer for the literature review.
- Subgroup members to volunteer to lead work stream 3.
- Subgroup members to engage with the three work streams and provide feedback.
- Child Health Task Force Secretariat to extend the call to action to all task force members again.

Meeting Notes:

- Discussion of three work streams:
 1. Private sector literature review
 - Expected to be finalized by the end of October.
 2. Research questions for private sector engagement
 3. Technical brief
- Subgroup members were requested to volunteer to work on one of the three work streams. Volunteers during the meeting included:
 - Margaret Brawley (Medicines for Humanity) who would assist with the literature review and also play a role in work stream #2 on research questions for private sector engagement.
 - Leonardo Shamamba offered that they could give input on all of the streams, but will revert back to the co-chairs after speaking with his team.
- Health Financing: Next steps for engaging with the Health Financing group; selection of PS subgroup member to lead this stream
 - Community Co-financing – community health workers and health insurance models for child health programs in the private sector.
 - How can we ensure country level participation at all levels and for all stakeholders?
 - Folake Olayinka with MCSP/JSI volunteered to help collaborate with the financing subgroup for research into private sector financial models.
