Next Meeting: (TBD) Monday, Dec. 12th, 2018 11:30 am EST

Action Items:

- Subgroup members to contribute suggestions for the Co-chairs for the Child Health Task Force Steering Committee Meeting, Dec. 4-6th
- Subgroup members to review the technical brief by Nov. 16th. This brief will be shared by co-chairs by Nov. 13th at the latest.
- Subgroup members to compose priority research questions for the literature review and share with Anna Wadsworth (anna_wadsworth@abtassoc.com).

Meeting Notes:

Work stream 1 -

- Steering committee mtg. Dec. 4-6th – feedback welcome, Zain, and Catherine will be representing the subgroup
- Technical brief has been approved by USAID – early next week this will go out to subgroup members – review deadline within 1 week (deadline Nov. 16th).
 - Please review and be in touch with Catherine.
- Priority research agenda setting happening this mo. – we seek experts – send in high priority research questions- those will be reviewed and then ranked by the group. Then we will look at the rankings.
 - Emily Treleaven: Tess, I can participate in #2
 - Sascha Lamstein: And, Anna, I could review the lit review (work stream #1).

Work stream 3

- Technical brief for PSE – we are in the desk review phase. Reach out to co-chairs if you volunteer to support one please.

Child Health Task Force Steering Committee Meeting, Dec. 4-6th: PSE subgroup will be represented by Catherine and Zaeem.

Updates: New Website link www.childhealthtaskforce.org

- Still in a construction phase and being built. Resources from CCM central are being sorted through.
