CCM Policy Activities -Pneumonia

iCCM 2014

**Integrated Community Case Management (iCCM):
Evidence Review Symposium
3-5 March 2014, Accra, Ghana**

CCM Policy Activities – Neonatal Sepsis

iCCM 2014

**Integrated Community Case Management (iCCM):
Evidence Review Symposium
3–5 March 2014, Accra, Ghana**

Next Steps

- More nuanced understanding of gap between policy and implementation
- Greater understanding surrounding iCCM financing / sustainability and how that drives policy
- Lessons regarding scale-up of iCCM
