

# CHILD SURVIVAL ACTION

**August 2025**

## Child Survival Action Country Performance Snapshot

*Your snapshot of how the 60 countries not on track to achieve the child survival SDG are performing on vaccination and nutrition targets.*

**90%+ vaccine coverage by 2030**  
**<3% wasted children by 2030**  
**40% reduction in stunted children (from 2012–2030)**

Legend
